

**4th European School on
Environmental Applications of Advanced Oxidation Processes
Venue: *Aristotle University of Thessaloniki, Thessaloniki, Greece*
November 4 - 6, 2024**

Practical Information

Venue location, transport, accommodation

1. Location

The meeting will take place at the Aristotle University's Research Dissemination Center (KEDEA). (<http://kedea.rc.auth.gr/>). The building is located downtown, on 3rd Septemvriou Str. at Aristotle University's campus between the Student Club and the University Gymnasium. An important element of the architecture of the building is the characteristic red colour, which makes KEDEA a spatial reference point on the axis of 3rd Septemvriou Str.

2. Local transportation

Directions from Thessaloniki Airport (SKG) to the centre of Thessaloniki

You can get quickly to the centre of Thessaloniki (Aristotelous Square) via the A25 motorway; by car it takes about 25-30 minutes to cover the distance of 17 kilometers.

Taxi

You can easily find a taxi right outside the arrival exit, SKG is a small airport so you will not miss the taxi rank. You should expect to pay something between 20 – 25 euros, just keep in mind that there is a 30% increase in the price from 00:00 to 05:00 am. The ride to the airport is metered, so make sure that the driver resets the meter stand as soon as the transfer begins.

Public Transport

During the day you can travel two times per hour by bus 78; in the late evening and during the night you can take bus 78N. Along the route you can get off in the city centre (Platia Aristotelous) or at an earlier stage, depending on where your hotel is located. The journey time from the airport to the centre of Thessaloniki is approximately 30 to 40 minutes. A ticket can be purchased from the ticket machine on the bus, but keep in mind that the ticket machine does not return spare change. A one way transfer ticket from the Thessaloniki Airport to city centre costs € 2. Please consult www.oasth.gr for more information.
